STB-50G Pyramid Tea Bag Packing Machine

STB-50G Pyramid Tea Bag & Premade Envelope Packing Machine Details

Technical Features

The STB-50G is a powerful pyramid teabag and premade envelope packing machine that offers a super nice envelope compared to other rolled film made envelope. It is also compacted and systemized for filter teabag and outer sachet.

The STB-50G tea bagging machine is small, but it is packed with features, including automatic weighing, filling, pyramid teabag making and sealing, and premade envelope feeding. It has a speed of up to 45-50 envelopes per minute and is made of stainless steel to meet food GMP standards.

As a new type of heat-sealing, multi-functional automatic teabag packaging equipment. The main features of STB-50G are: the inner and outer bags are formed at one time, avoiding the contact between hands and materials, and improving work efficiency.

Technical Parameters

Technical Data	STB-50G
Packing Speed	35~45 bags/min
Packaging Capacity	1~10g/bag
Outer Bag Size	L 70~120mm; W 60~90mm
Inner Bag Size	L 50~110mm; W 40~80mm
Power Supply	220v, 50/60Hz, 4.5kw
Machine Dimension	2000 x 1200 x 2850 mm
Machine Weight	600KG
